Position Description (Duty Description): Incumbent serves as a Mission Defense Team Operator for the Detachment 1 224th Air Defense Group (Joint Air Defense Operations Center) and should have an understanding of Cyber threats and defensive cyber strategies. Selectee facilitates planning, integration and development of Defensive Cyber capabilities across the JADOC to ensure maximum mission hardening. Member coordinates with key organizations (military & interagency) regarding priorities and authorities required to achieve mission assurance for the JADOC Commander. Member assists key organizations with the stand-up of MDT capabilities supporting the JADOC Key Terrain-Cyber. Additionally, member participates in the standardization and implementation of theater reporting and incident response. Member assist in developing theater MDT training and operations blueprint and drive adherence to implementation guidelines. Finally, member coordinates exercise (table top, command post, etc) to ensure Standard Operation Procedures are properly developed, exercised, assessed and implemented.
